qualifications

**DURATION : 2 Months**

**VENUE : Excellence  
Training Centre**

**PRICE: 4500 QAR**

## OVERVIEW

From narrative scene editing to documentary editing, our video editing tutorials will help you make a movie, short film, or documentary. Learn the art of video editing & motion graphics from our expert instructors using popular video editing and motion graphics software like Premiere Pro, and After Effects.

This course covers fundamental techniques, including how to select the right take, create a montage, and determine when to cut. Plus, learn how to reframe shots, create a rough cut, make rolling end credits, export shots, render for any medium

## LEARNING OUTCOME

Upon successful completion of this course, students will be able to:

- Be familiarized with the basic concepts, terminologies, elements, and principles in Video Editing and motion graphics.
- Reframe, Color correct, Stabilize and render out any given footage.
- Create astonishing motion graphic sequences like Infographic animation White board animation, title effects and make reality warping Visual Effects.
- Develop a Showreel.

## PREREQUISITES

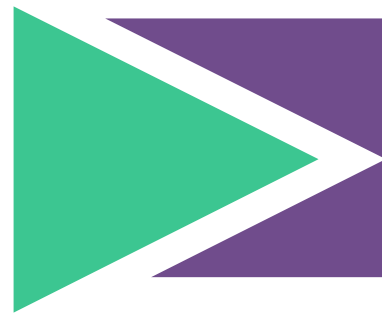

- A Laptop for lab practices. Laptop specifications and suggestions are available if requested.

## CERTIFICATION

Upon successful completion Students will receive a **“Diploma in Video Editing (LEVEL 4)”** from **OTHM(UK)** along with a Certificate from Excellence Training Centre.
